## COMPANY PROFILE

Al Sawaed Al Kuwaitia International General Trading Contracting Company is a locally owned and operated company that has considerable experience in the local market.

Al Sawaed Al Kuwaitia International is a multidisciplinary company that is committed to enabling companies to achieve real competitive advantages. Our abilities and expertise cover a wide range of activities and initiatives.

Al Sawaed Al Kuwaitia International has more than thirteen years of experience in design and construction of all types of concrete and steel building. We have provided a wide range of services for our clients including electro-mechanical, interior and finishing works.

Al Sawaed Al Kuwaitia International has now diversified into an intermediary and advisory role. We act as agents or mediators for International companies and businesses. The strategic connections that our company has with several Private and Public sector organizations allow us to be well placed to provide solutions for our clients and help them to realize their objectives.

## Our Mission

Our mission is to provide high quality advisory services and project implementation support to all our clients.

## Our Objectives

- We aim to provide professional client services with credibility and integrity.
- With our knowledge of the local infrastructure and businesses, we believe that sincere advice and dedicated support for our clients will produce the desired results for our common benefit.
- We desire to cultivate long-term professional relationships with our clients based on mutual trust and esteem.
